ERIXON SIMMENTALS

BULL & FEMALE SALE

Wednesday, February 29, 2012

Saskatoon Livestock Sales, Saskatoon, SK

5 miles West of Saskatoon on Hwy 14.

WELCOME

A new chapter has begun for our program and we are very proud to welcome you to the Erixon Simmentals Bull & Female Sale. It's been over 34 years in the making. We purchased our first Simmentals back in 1974 and have stayed with the breed ever since. We would like to thank all those who supported us at the Advantage Sale in the past and we wish the consignors of the Advantage Sale all the best. We take pride in our cattle and what we do. Our bulls and heifers come to you out of the industry's leading A.I sires. Our herd is built around strong cow families that have been very consistent over the years. All the bulls and heifers are on the Pfizer Gold program and have been treated with Ivomec. The bulls are developed on a high roughage ration that promotes growth and longevity. We are committed to the industry and are always striving to raise the best stock possible.

We look forward to seeing all our past, present and future customers at the sale. Join us for lunch prior to the sale and join us after the sale for socializing and refreshments. If you have any questions prior to sale day feel free to give us a call or visit the farm.

Win a \$2000 Sale Credit

Purchase a bull from any current Saskatchewan member, and when the registration papers are transferred, your name is entered to win a \$2000 sale credit! The draw will be made at the SSA's annual general meeting in July and the lucky winner will have one year to use the credit at any public auction or private sale on bulls or females purchased from any current SSA member.

Semen Collection

Erixon Simmentals reserves the right to collect semen on any bull sold through this sale. The semen collection will be at Erixon Simmentals expense and the buyers convenience. Any semen collected will be for Erixon Simmentals in herd use only.

Delivery Options

Option A: \$50 off per lot if picked up sale day
Option B: Free on bulls to central points in Saskatchewan, Alberta and Manitoba, cost shared to other locations. In most cases we will deliver the bull to your yard. Trucking will start around April 1 at seller's convenience.
Option C: Bulls may be left at the farm until required. A charge of \$2.00/day will apply after May 1 and purchasers must pick up their bulls.

We insist all purchases be insured while at Erixon Simmentals.

Insurance:

Stockmans Agencies Insurance will be available sale day.
(306) 931-0088

Please Join us for lunch at noon on sale day.

Catalog production by Jamesway Catalogs, Okotoks, AB.

Sales Management Comments

It is with great excitement we welcome you to the premier Erixon Bull and Female Sale. These are very exciting times to be involved in the agriculture industry. The beef sector is one that has seen tremendous growth potential and a big upswing in premium quality livestock. The Erixon family has been breeding quality Simmental seed stock for many years and has become one of the major seed stock producers in Western Canada for fresh new Simmental genetics.

As we toured the bull pen this January my first impression was the consistency and quality of the bulls. This is the largest group of bulls ever offered from the Erixon family and by far the deepest in quality. This super stout set are very thick, big hipped, big bodied bulls with excellent phenotype. They are athletic and fluid in their movement and are super hairy to top it off. The red bulls will be led off by a fantastic set of KOP Crosby embryo calves which will certainly make the most astute cattleman pay attention. The black bulls will take no back seat as they are a very deep set as well and will be highlighted by some Wheatland 680 sons who will demand your attention. These bulls are of the highest quality and have been produced by strong cow families and hours of genetic breeding decisions and a very strict culling program.

On the female side of the offering we have an excellent group of young top cut heifers for offer. These females come from the heart of the replacement pen. As the bulls, they have some of the freshest and most sought after genetics behind them and all stem from proven cow families that make this program as successful as it is. There will again be something on offer for everyone from that special show heifer to adding another cow family to your program or packaging up a set of replacement females. Don't overlook these girls sale day, as there is some fantastic females in this offering.

Erixon Simmentals is a program that strives to be leaders in supplying Simmental seed stock to the commercial and purebred man alike. They spend countless hours promoting the beef industry and Simmental breed and have truly put together a tremendous set of cattle for your appraisal on Wednesday, February 29. We hope to see you sale day but as always, if you are unable to personally attend we at Transcon Livestock can assist you with any questions about the cattle or handle your absentee bids in the utmost professional manner you deserve and expect.

 These two have to be appreciated for their width of top, width of hip and overall spring of rib. They have tremendous muscle shape through the quarter. This is the first crop of calves to sell off of Crosby, and we are extremely pleased with them. He stamps them with loads of thick hair, excellent growth, deep flanks and they have that soggy, easy doing look about them.

HOMOZYGOUS POLLED

These five E.T brothers have been standouts since birth and have gotten better with time. It is not everyday that you find the depth of flank that these five bulls have. They have lots of jam behind them, loads of thick hair and come off a perfect, and I mean perfect uddered cow. 2P is a cow that has more than proven herself with a female working in Tymarc's herd and a female going to Czech Mate Simmentals in the 2008 pick of the barn. Her bull from last year was one of our high sellers going to Nisku Farms. These 5 bulls are maternal brothers to the 2009 Canadian Western Agribition Grand Champion Female. How could you go wrong? They have the EPDs, a dam with a history, a sire with an exciting future and most importantly, they have the look!

Erixon Lady 202S

Inconclusive Homozygous Polled. This is an individual that we believe has a promising future ahead of him. 4E Red Hot was purchased from M&J's reduction sale where she was a high selling lot. We think very highly of this deep red, broody female and have flushed her very successfully. Numerous maternal brothers have sold and several maternal females are working in our herd. The pedigree on this guy is top notch.

Homozygous Polled, Homozygous Black. Bank Roll is a calf that we are very high on! He is soggy, soft sided, has a flawless disposition and super good hair. Bank Roll was a member of our 2011 show team. He stood second in class at both the National show in Edmonton and at CWA. His flawless structured, Powerline dam is proving herself to be a foundation female that is a huge asset to our herd. His maternal sisters have sold to Diamond B Simmentals and North Creek Simmentals.

129Y is a clean fronted, deep made heifer just like her mom. A maternal sister has a wicked looking calf on her this year.

Terms & Conditions

TERMS - The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for his purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INFORMATION SUPPLIED - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and neither Transcon Livestock Corp. or Jamesway Enterprises Ltd. assume any responsibility if the information supplied is not accurate.

CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Transcon Livestock Corp. and Jamesway Enterprises Ltd. assume no responsibility if the images as received have been altered.

ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recording certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors. or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between buyer and seller.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.

ERLIXON B SIMMENTALS

**52 Bulls - 46 polled Red, 6 polled Black
15 Polled Red Heifers**
