Celebrating 50 Years 1967-2017

TRANSCON Livestock Corp.

We would like to invite everyone to our 2017 offering. Our walking herd bulls have offered a tremendous group of bulls for your appraisal. The Sniper and Sting groups have another great set to end their careers – lots of performance, hair, and style. The daughters that are in the herd will rise to the top real fast. Cobra (DEEG Mr 4A) will always be a fan favorite for us. He does so many things right, from disposition, to the way he calves, to the way they perform. His first daughters will start milking this January and we are looking forward to calving season. Luongo's bull calves are a good set again, and they are all out of heifers. His calving ease has been outstanding as he was used on all the red heifers again. A new sire is Bootlegger (MRL 133B), with calving ease, performance, and in a moderate package. Another new sire Goon (LFE Lewis 368B) was also added to the lot. He is a hetero black as we want to add to the black side and not lose on the reds. He has a great set of both colors. He is a great bull for us to start building the black group around, and he has lots to offer for a set of black cows. Singletary will close out our sire groups and our black bulls. His daughters will be milking in January and they are broody. Both black sires were used a little on the heifers with good results.

The Red Angus group has a good offering from calving ease heifer bulls to the performance cow bull. Boss is a new sire that is moderate, thick, with sleep-at-night calving ease for your heifers. Acquire has a group to meet both demands for heifer bulls and cow bulls.

New for this year, we have decided to go with a video sale and on DLMS. No bulls will enter the barn. The bulls will be in the same pens as before just outside the barn. We will have the videos done in mid January.

We look forward to seeing and making new friends.

Thanks

Sales Management Comments

It's bull sale season again! And as always we get to kick it off with this great event. We always like heading into bull sale season with this sale as it's great to work with this honest ranching family who host a real down-home bull sale.

The bull sale offering, as always, is sired exclusively by the Janzen Ranches herd bull stable. The Janzens have always been very serious about buying their own herdbulls and it has shown in the cowherd and the past bullpens that you, the public, have bought. The effort and investment made into purchasing and sourcing herdsires is a benefit to the clientele knowing they are buying sons of these excellent herdsires.

"New" to the sale this year is the biggest group and best group of Black Simmental Bulls ever offered! In the past there have only ever been a few Black Simmis offered and not consistently on an annual basis. Therefore I see this as a new and exciting feature to this year's sale that will be a core part of the bull sale from now on.

I've said it many times before, that Janzen Ranches has as many repeat customers, on a percentage basis, as any bull sale that we work with in our full management protocol. That says a lot! The cattle WORK for people and they come back for more of them because they know that.

We hope to see you sale day for some Southern Alberta Ranch hospitality. If you aren't able to attend, but would like to have the bulls appraised please call our cell phones. We are also here to handle your bidding needs in your absence with our industry-leading, highly trusted order buying services.

For the Janzen's,

Jay Good

Terms & Conditions

TERMS - The terms of the sale are cash, cheque, VISA, Mastercard, or Interac, payable at par at sale location. There will be a 3% administration fee on all VISA or Mastercard purchases applied to the buyer's invoice. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for his purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.
BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.
SALES TAXES – Applicable sales taxes will be charged on semen, embryos and trucking fees (if listed), respective to the home province of the buyer, not the seller.
DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.
PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.
INFORMATION SUPPLIED - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and neither Transcon Livestock Corp. or Jamesway Enterprises Ltd. assume any responsibility if the information supplied is not accurate.
CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Transcon Livestock Corp. and Jamesway Enterprises Ltd. assume no responsibility if the images as received have been altered.
ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.
CERTIFICATE OF REGISTRY - A registration/recordation certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.
SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.
BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.
EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.
HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.
ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors. or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.
RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.
TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between buyer and seller.
The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.
