Sale Headquarters

Bay Hill Inn & Suites, Neepawa 204 476-8888

Welcome to the 2017 edition of Transcon's Cattle Country Simmental Bull Sale.

As the 2017 bull sale gets into full swing the markets are showing that the Simmental influence remains to be the threshold of commercial calves at sales barns across the country. More pay weight equals more profit margin.

What an opportunity you will have here at Cattle Country to buy some of the best Simmental genetics Manitoba has to offer. The breeders that have assembled this set of bulls are committed to producing the best end product they can and are always working for you the PURCHASER. The offering has something for everyone whether it's Reds, Blacks or Fullbloods you're in search of. As you sort through the bull pens note the consistency and uniformity of sire groups. These bulls are big ribbed, deep quartered and have some length of spine. Bulls that are hairy and have moderate birth weights yet maintaining some performance needed to get those extra pounds.

We invite you to join us on Saturday April 8th at the Beautiful Plains Arena in Neepawa. As always if you are unable to attend the sale but would like to purchase don't hesitate to call our cell phones. We will assist you in a very professional and confidential manner.

See you sale day Darren

Now Available!

EPDs are in the following format: EPDs: CE BW WW YW Milk MCE MWW

Catalog production by Jameswaycatalogs.com

Cover design by Keltey Whelan

View and bid online at www.transconlivestock.com

Pre-register at www.transconlivestock.com a minimum of 48 hours in advance of sale time.

*There is a 3% administration fee on all MasterCard and Visa purchases - paid by the buyer.

For U.S. Buyers

Our sales are conducted in Canadian funds. The U.S. exchange rate will be available at the settlement desk. Upon successful purchase of an animal, the consignors will assist with the necessary documentation, health exams, brokerage and U.S. custom charges necessary to export your animal to the U.S. An additional fee of \$300.00 U.S. per animal will be charged for this service, and is due at time of settlement. Transportation is not included in this amount.

Handford Simmentals

Welcome to the 6th annual Cattle Country Bull Sale.

I would like to thank all the buyers and bidders for the support they have shown in our program. Please don't hesitate to phone with any questions on our offering or better yet, drop by to see them. We have brought a select group of open heifers again this year. They are right off the top of our keeper pen.

We were blessed January 18, 2017 with our second granddaughter, Atley Jayce.

Robert, Pam, Jason, Jayme & Riley Handford

Atley Jayce with big sister Emrie

This is 44Z's third bull in a row to make the sale. She is a moderate framed cow that keeps cranking out the good ones. 2D is easily one of stoutest, big topped, heavy muscled bulls we have raised. He will turn some heads on sale day. He also has great EPD numbers, great hair and a wide hip. HETERO POLLED and HETERO BLACK.

42Y has been a solid cow for us, producing good bulls and females alike. We were fortunate to obtain a semen pack on the Vegas bull, as his calves, both male and female, have risen to the top of their respective pens. Dark red, hairy and heavily muscled describes this guy. He also sports a milk EPD of 30.3. HOMO POLLED.

Hello to all our Simmental Friends! We are happy to be back at the Cattle Country Sale to show you what we have in this year's bull offering.

Our program continues to focus on Polled Fullblood genetics from our AI and natural breeding program. We have selected our top bulls for you to choose from and are confident that there is something here for every farm.

A sincere thank you goes out to those who continue to support our program and our farm by your purchases each year. Thank you all for your interest!

Antrim Simmentals

John Gillan

Box 72, Clanwilliam MB R0J0K0

Ph.: 204 865-2392 Cell: 204 867-0414 email: antrimsimmental@gmail.com

Welcome to Transcon's Cattle Country Bull Sale. Antrim Simmentals is located approximately 10 miles north of Minnedosa on highway 262. I would like to thank all the bidders and buyers that made last year's sale such a success.

I am excited to bring a strong and consistent set of 4 polled fullbloods and 2 horned fullbloods which consists of 5 sons of Oakview Broadway and 1 son of Champs Bravo. These are the first sons of Oakview Broadway to be offered for sale.

The herd has been bred and selected for sound feet and legs, good udders as well as length, depth and thickness, with an emphasis on the polled factor. I look forward to seeing you on sale day. Buyers are invited to view bulls and their dams at the farm or phone for more information.

104 1119 34.3 5.5 74.3 113.6

The feature bull this year is a Broadway son whose weaning weight was 1119 lbs. He has performed well and will mature into a long, smooth, herd bull. His dam, 30Y, has good length, lots of width over her top, good udder, and sound feet and legs. She raised a high seller in this sale a few years ago.

Antrim Dominator is another Broadway son in this year's offering. He has goggles, has a wide, level topline, a wide, deep hind quarter, and is probably the thickest bull in the pen. His dam, APS 9Y, is a larger framed cow with good spring of rib, and good depth of body.

Crest View Ranch

Greg & Amanda Woychyshyn & family Box 2035, Minnedosa, MB R0J 1E0 Ph: 204 636-2677 Cell: 204 867-7110 email: crestviewcattleco@hotmail.com

Welcome to the 2017 edition of the Cattle Country Bull Sale.

Again it has been our pleasure working with the sales staff of Transcon.

We have brought for your appraisal this year two black bulls out of our senior walking herdsire, the MSBC Boron 7A bull that I believe will go out and do a good job for their new owners.

With this year being a rat race in trying to build our new yard and the wet fall and late harvest, these bulls were started on feed a little later than some but have respectively gained at 3.5-4lbs /day since then. I think this projects the growth and performance that these bulls possess! These bulls have been tested for coat and polled test.

If you have any questions regarding our offering don't hesitate to call or come view the bulls ahead of time. Look forward to visiting with you sale day.

Maternal brother

What can I say about this guy? Dante speaks for himself at first glance as a clean fronted, smooth made kinda bull. He is out of one of the best producing moderate cows we have on the place, the Club King 3Y cow. Track record speaks for itself with a half brother selling in the 2015 sale to Sevcik Simmental Ranch at Hussar, AB; which I believe they have had great success with as one of their walking heifer bulls. As for females off this cow, all being good enough to retain as in herd mama cows. If you are looking for a heifer friendly bull with a bit of performance your search is over. Backed by a pedigree of RC Club King as well as Preferred Beef, the proof is in the making! Coat and polled test pending.

If you're in the hunt for a performance bull to weight up those calves in the fall look no further! Darcy has the genetic makeup to make that happen for you. This guy has the length of body of a freight train while retaining that thickness and smooth made aspect about him. His mother, the 133Y cow, a Top Gun cow who was purchased from Mar Mac, is one of the tankiest, best milking cows we've got. She has done it again producing us as powerful a bull as the maternal brother we sold to Dunn Farms at Russell, MB in the 2015 sale. Be sure to have a peak at this guy come sale day! Coat and polled test pending.

Welcome again to the 2017 edition of Transcon's Cattle Country Bull Sale.

It's a pleasure to work once again with Jay and staff!

As A.I. remains a big part of our program we have brought to you a selection of bulls off of the various new genetic sires we have used. The results are in and they look good! With wet pens and a very delayed harvest into mid November, these bulls were not on feed as early as we had planned. Regardless, they have performed well and gained right along with the best of them since then.

All bulls have been coat color and polled tested. Thank you in advance for your interest and we will see you sale day.

Take a look at this guy! One of the favorites in the pasture for quite some time. Again another KWA Big Time calf that has surpassed our expectations. If you like those rugged, loose hided kinda bulls that sire calves that just go out and grow this is the one for you! 63D is a very deep sided bull with a ton of middle to him. To add to that he has an awesome haircoat as well. With this cross on a very productive Top Gun cow the guess work is done. Coat and polled test pending.

Breeders look here! This guy is sired by the new popular Royal Red bull. The calves off Royal Red for us definitely have a whole lotta grow to them! This guy has been an eye catcher since his early days. If you want a bull with length of spine, a pile of top, and middle like no other check him out. For the power this guy possesses he is nice and tidy up front and is set down good and square on his feet and also moves as smooth as a cat. His mother, the 23U cow, gives us the good ones every time having sold two consecutive bulls through the sale to Cam Ramsey of Hamiota, MB. Don't miss this powerful bull come sale day! Coat and polled test pending.

Welcome to Transcon's Annual Cattle Country Simmental Bull Sale.

First off, we are very proud to be a part of this sale and share a barn with this great group of Simmental Breeders.

We have 6 bulls on offer. We are very happy with their development and uniformity. All of our bulls come from a full herd health program, have been vaccinated for foot rot and passed a Breeding Soundness Evaluation.

Please look out for our website www.tristarcattle.com, which we hope to have up and running shortly, where you will have access to more pictures and videos of the bulls on offer.

20D is an outstanding bull. He has a lot of things going for him. He's very sound, has big feet and moves very well. You'll really appreciate him when you get behind this bull and see how wide he really is. He'll definitely put pounds in your steer pen and with that dark red color, large testicles and tons of hair his heifers will find their way to the replacement pen. His full brother is working at Ellis Farms from Neepawa. Homo Polled Test Pending.

Welcome to Transcon's Cattle Country Bull Sale. This is our third time consigning to this sale and we are very pleased to be a part of this group. We would like to thank Transcon and all the breeders for letting us be a part of this sale.

The bulls have been fed a silage and hay based ration with longevity in mind. The bulls are on a complete vaccination program and have had their initial shot of Fusogard and two doses of Ivermectin. There are performance bulls and a couple of bulls that would be good on heifers. The bulls are all quiet, easy to work with and have been semen checked and are ready to go to work.

Give us a call with any questions or feel free to stop by the farm and we can go over the bulls with you.

Dana, Megan and Terron Johns

MCR 116D is heifer approved with a low birth weight of 84lbs and sired by our heifer bull PWK 37B. He has a great thick hair coat that's a nice cherry red with a tinge of black. MCR 116D is a very smooth well put together calf with nice smooth shoulders. His dam is sired by a heifer bull as well and calved early again this year with another low birth weight calf. She has a nice little udder with small teats and a great disposition.

Broken Oak Black Simmentals

Robert & Lois Sharpe RR 1, Rapid City, MB R0K 1W0 Ph: 204 573-4986

email: brokenoakblacksimmentals@gmail.com

Welcome to the 2017 edition of "The Cattle County Bull Sale" from all of us at BROKEN OAK BLACK SIMMENTAL. We are once again pleased to be a part of this annual event and be associated with this fine group of breeders.

As the 2017 bull sale season winds down, the outlook for the cattle industry is as promising as any branch of agriculture. So if you're still shopping, we offer an outstanding pair of prospects from our AI program as well as a pair of open heifers that are sure to catch your eye.

As always, give myself or Lesley a call if you have any questions and be sure to stop by our stall to discuss our program and your individual needs.

We should have named this bull Harry! He has a tremendous haircoat! (good thing when it was -42 in January). So much so that we didn't notice the tiny scurs he carries until we clipped his head. They are so minuscule they are hardly worth mentioning but we wanted you to be aware. Overlooking that, he is a pretty decent chunk in his own right. Once again, thick and deep and from an excellent cow. Affectionately referred to as Mrs Robinson around here, his BDS dam produced our high selling bull last year purchased by Hedley Livestock for \$7200.

Welcome to the Transcon Cattle Country Bull Sale. This sale is worth the wait as there are many great herd bull prospects here.

We feel our offering of herd bull prospects is first class this year. The investments we have made in our herd bull battery are proving to provide elite genetics that we are proud to offer to our customers. Once again this year we have offspring from Align 60A that add power and performance as well as great maternal traits. We are excited to introduce and offer our first progeny from JPCC Mr. Morgan 13B who was JP's high selling bull two years ago. Mr. Morgan was selected for his calving ease, performance and overall eye appeal to help us produce top end cattle. These bulls are on a full vaccine program and have been growing on a 13% bull grower ration.

We would like to thank our previous buyers and look forward to seeing them again as well as meeting new potential buyers. Feel free to contact us anytime with any questions or if you would like to view the bulls or their dams at the yard. Hope to see you all at the sale!

Doc is one of our longest bulls and when I say long he's got the length that most bulls lack. Not only is he long but the hip and quarter that he carries are second to none. The Morgans are all stamped like this but he comes by it honestly as his mother is one of our best cows on the farm. She was purchased from the Firby's and she possesses everything that we are trying to reproduce in our herd.

Dark Ice is one of the coolest bulls I have ever raised! His mother was purchased from the GJR dispersal sale in Saskatoon. I can still remember picking her out in the catalogue and telling Steph that we had to own this cow. No disappointment here! Her first two bull calves were the first bulls out of the pen the last two years; one to Tyler Stewart at Foxwarren and the other to Don Smith at Plumas. This year being the first year of our Mr Morgans to sell we had to save him for this sale just to represent the quality of these bulls. Bid with confidence as he is sure to work in all cow herds!

Dozer also comes by his name honestly with his pure meat and muscle. His dam's name is Tank which is not a coincidence either, who is backed by a great Romulus cow with a shot of Jahari in there. Not to mention his sire Align 60A who is sired by none other than 56U who is fast becoming the next great female maker. Look at this bull for power and maternal traits to use on a good black cow herd.

Blair & Cheryl Workman

Calvin, Jenn, Josh & Kennidy Workman

Welcome to another edition of Transcon's Cattle Country Bull Sale. The three bulls we have on offer this year are some of the very best we've ever raised. With NAC 15A proving himself once again he has made a great impact in our herd already adding performance and calving very well.

If you have any questions on our consignments please don't hesitate to give me a call or any of the Transcon staff. Or come by the farm for a tour and see the bull's cow families at work anytime before the sale.

Thanks in advance and hope to see everyone at the sale.

We used Upgrade extensively in our program and are extremely happy with his daughters. They are nice uddered and very good mothers. 10D's dam, who came to us from the good folks at Mader Ranches, is making her mark here as well by producing exceptional progeny like Dahlia. A very well bred female who exemplifies the phrase "she should be staying here"! Undoubtedly she will make an excellent addition to anyone's program.

Broken Oak Black Simmentals

Terms & Conditions

TERMS - The terms of the sale are cash, cheque, VISA, Mastercard, or Interac, payable at par at sale location. There will be a 3% administration fee on all VISA or Mastercard purchases applied to the buyer's invoice. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for his purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

SALES TAXES - Applicable sales taxes will be charged on semen, embryos and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INFORMATION SUPPLIED - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and neither Transcon Livestock Corp. or Jamesway Enterprises Ltd. assume any responsibility if the information supplied is not accurate.

CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Transcon Livestock Corp. and Jamesway Enterprises Ltd. assume no responsibility if the images as received have been altered.

ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements. CERTIFICATE OF REGISTRY - A registration/recordation certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no eyent shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors. or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between buyer and seller.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.
