

TRANSCON'S
Season Wrap Up
BULL & FEMALE
SIMMENTAL SALE

1:00 pm - Saturday, December 9, 2023
Beautiful Plains Ag Complex - Neepawa, Manitoba

21 Long Yearling Bulls

17 Bred Heifers

2 Heifer Calf Prospects

Plus... 3 Pens of Commercial Simmental Bred Heifers

WELCOME *from the Transcon Team!*

Welcome to Transcons Season Wrap Up 2023.... The sale will consist of approx 20 virgin extra age bulls from Tri Star Cattle Company as well as an elite set of females from Antrim Simmentals, Creekside Cattle Company, McManus Simmentals ,Triple T Diamond Ranch and Triple T Diamond Simmentals.

The opportunity is here to be able to sit in and buy your herd bulls early. The bulls have been developed slowly and grown out as they should be. Bulls that are not pushed on feed and are selected for structural soundness and performance. These bulls will cover some cows come breeding season and will clip the big coupons when you wean their calves come next fall. With record prices being set in the commercial market this is a great opportunity to purchase your bulls early rather than later and paying an inflated price.

Under the same roof and on the same day you will have the chance to purchase a very strong set of females right from the topend of the herds from some of the best in Manitoba.

Although the numbers aren't huge the quality of cattle on offer are **TOP NOTCH...** Value and opportunity is key and it's all here at Season Wrap Up 2023. Please join us on Saturday, December 9th at the Beautiful Plains Arena in Neepawa MB.

Best STOCK in today's market is LIVESTOCK!

Welcome back to the 2023 Season Wrap-Up Sale! The cattle world has been booming with excitement we haven't seen in a decade. There sure seems to be a lot of optimism at the potential for growth and high prices for the foreseeable future. This group of bulls has a consistency we have been striving for in our herd! We were happy with our two walking bulls from last year and kept them walking, with some AI Bulls added to the mix. Our one herd sire, ZSL Dubai, comes from Spring Lake Simmentals at Daysland AB. The progeny off this bull continues to stand out and impress. They all come with a dark red coat, great feet and overall structural correctness; he has added bone and hip to his offspring and kept them all very free moving and loose sided. The consistency across the current lot I think is impressive. It doesn't hurt that Dubai is a Paternal Brother to Zimmers \$77,750 High Selling bull this spring ZSL MR OHTANI 7J. Our Second walking herd sire is no slouch either; BERTS Gustavo a direct son of Red Mountain himself. You don't get any more dependable genetics than that. Gustavo progeny all come with a great temperament, super dark hair coat and very well muscled.

We will be bringing Bred Heifers again this year, multiple groups of three, due to start calving January 10th, 2024. If you have any questions or would like to come see the bulls or bred heifers prior to the sale please feel free to contact myself or Laura.

Videos are available on the Transcon website or we can send them directly to you as well. Some of these bulls were being camera shy, so make sure you check out those videos so you don't miss out on the whole package. Polled and Diluter results will be back by the time you are looking at this, so give us a shout!

See you on sale day!

Thomas

This heifer mom raised a tank with ease. Sired by our heifer bull MARC Hawkeye 20H, bought from Silverlake Farms in 2021, he produces numbers for ease and productivity. The best of both worlds that all us cattle farmers are striving for. BUT it doesn't stop there, his grand-sire comes from McMillian and has been a long time favourite in our breeding program and the grand-dam from Oakview Simmentals and she has continued to produced top- notch progeny annually ever since her first calf with us all the way back to 2014.

88	888	10.0	1.5	68.6	97.9	26.9	3.5	61.2

This guy's picture doesn't come close to doing him justice. Make sure you check out the video links. We weren't sure we wanted to part with him. The soundness, muscle growth and solid footing in this guy is something we look for in breeding our own commercial herd. We are looking to throw those "tan" calves the marts seem to go crazy over. If he doesn't end up in your breeding pen, he will end up in ours.

Lot 9 - 11K

101	904	5.5	5.2	95.7	134.3	20.5	2.6	68.4	

This bull came off of a cow we bought from Meadow Acres Herd Dispersal. Sired by SVS Rancher 42H, son of Tycoon, which is worthy of the hype. We expected great things, and he did not disappoint! How can you go amiss with genetic like that?! He somehow got missed at picture time, but we have since taken a video and you can take a look at in on the Transcon Website or give us a call and ask us to send it to you!

This Dam is a first-time mama, but DAMMN you wouldn't know it. He is heavy muscled, soft made. Something we have come to expect from his sire. However, the genetics on his mom's side cannot be ignored either! His great grandmother has been in our herd and favourite of ours since we started in the business in 2013, off of Bert's NR Simmentals. There isn't a heifer off her, or her progeny that has left the farm.

98	720	5.1	3.7	75.8	116.4	23.4	-1.5	61.3

Embryo. We bought this embryo transplant from Meadow Acres Herd Dispersal. His sire, Red Deputy was produced by LaBatte's Simmentals and sold to Kunkle Farms in North Dakota for \$77,500. At LaBatte's 2018 sale, Red Deputy sired their high selling bull which sold for \$52,000 and high selling red heifer for \$15,000. The possibilities are endless when you introduce this bull to your program.

This is Mathew Kulbacki's Simmental Pure Bred debut. He has been a loyal customer of Tri-Star Cattle co ever since we started at this 10 years ago. This chunk is off of a bred heifer we sold to him at this very sale in December 2021, who was sired by Tycoon. This bull then boasts further genetics from our heifer bull Silverlake Hawkeye 20H. He brings the calving ease without hindering performance!

Another great bull for offer by Mathew. With this one you are getting full breeding genetics right out of Oakville Simmentals. He didn't just take a nice photo, those EPD's tell you above average across the board. His long body and full hip are sure to boost performance in your herd!

Lot 21 - 2K

Welcome to Transcon's Season Wrap Up Sale 2023.

This year I have consigned 5 polled and 2 horned fullblood heifers. The heifers are up to date with their vaccinations, have their first shot of scour guard, and been treated with pour on.

All heifers are bred to Sunny Valley Bravo 41K, who has tested homo polled.

Feel free to phone for more information or visit the farm to view the animals.

TRIPLE T DIAMOND SIMMENTALS

Welcome to Transcon's Season Wrap Up Simmental Sale.

This year we are consigning 7 heifers: 2 polled & 2 horned fullblood heifers, 2 red and 1 black. Heifers have had their vaccinations including their first shot of scour guard, and treated with Ivomec. Six of the heifers have been bred by AI and all seven have been exposed to our newest homo polled bull Fairview Motion.

We look forward to visiting with you on December 9th in Neepawa. If you have any questions on any of the heifers please feel free to give me a call.

Tel: (204) 762-6156
 Stewart Cell: (204) 739-8301
 Sydney Cell: (204) 280-1441

Stewart, Carla, Sydney, Carmen, Calder, Shayla and Camry Thorgilsson

Full Fleckvieh. This Radison female is about as dark red as they come and loaded with red pigment on her face. Kenley has been at the top of her class since birth. She is bred to our new Homo polled bull, Fairview Motion. He was a high seller we purchased this spring at Best of the Breeds from Forden Fairview Farms. Her due date is January 19.

Bred to Fairview Motion 103K April 9.
 Exposed to Fairview Motion 103K April 25 to July 19.

Welcome to this year's edition of the Season Wrap Up Sale!

This year I'm excited to be offering a fancy red baldy Scream/Shell Shocked bred heifer. Our lot, Kourtney, has been a focal point of this fall's display string, competing very well in a tough split of bred heifers at Ag Ex. You'll appreciate her sharp front end and skull, while admiring her profile make up. Kourtney is correct in all the right places, backed by a tidy udder underneath her and a solid foot underneath her for walking pastures as a momma cow. By sale date she'll have received her first dose of Scourguard, and receive Multimin 90, and A&D.

Looking forward to seeing you sale day!

Kourtney is a stylish, fancy heifer made exactly like her dam, Rusylva 58F who's already added a few daughters in my own herd, as well as a daughter sold to Rockin G. The 58F cow family may be young, but the females make super productive cows, add in the predictability of Captain Scream on the top side of her pedigree, and a baldy face to boot!

AI bred to WLB Top Tier 456G on March 27th.
Exposed to BEE Carleton 12J from April 5th to May 30th.
Ultrasound Safe to AI.

BEE CARHARTT 692H - Sire of SYD Kourtney 100K

Service Sire of SYD KOURTNEY 100K

TRIPLE T DIAMOND SIMMENTALS

Welcome to the 2023 edition of Transcon's Season Wrap Up Sale.

This year we are pleased to offer two bred heifers from our replacement pen. Deciding to part with these two females wasn't easy, however, it made sense to showcase some of our best females. We strive to produce both quality commercial & registered Simmental Cattle, built with longevity in mind, with sound udders & feet with good hair coats that will thrive in our home Interlake area of Manitoba and will work well in anyone's program.

Should you have any inquiries about our consignments, please reach out to us or one of the trusted Transcon Livestock Team Representatives.

See you Sale Day!

Polled Fullblood. A thick polled fullblood going back to Anchor D High Noon. Dam is a polled fullblood with a good udder, nice feet, big framed and is a great milker. She's Al bred to Switz Pol Target so you should have a polled calf. 29K's sire Keets Fortified, is a dark pigmented, big ribbed, sound footed polled/scurred full fleck bull we purchased from Keets Simmentals back in 2019. Keesha is big ribbed with a good disposition and is probably one of the best progeny's out of her sire with more coming up.

Al'd to SwitzPolTarget (ASA #: 1164078) on June 4th.
Exposed to Sunville Agreement 131J June 15 - July 5th

Horned Full Fleck. Darker coloured, quiet disposition, long bodied female out of Moose Creek Angel 87Y who's a very consistent producing cow. Amberly's sire goes back to Jeremiah which we purchased from Sunville Simmentals in 2020 and his calf crops have not disappointed. Half sibling was shown at the 2023 Lundar Fair and received Reserve Grand Champion 4H Interclub. If this heifer is anything like her dam, she will go on to do great things and be a great producing cow.

Bred to SkyWest BountyHunter 13H on April 30th.
Exposed to Sunville Agreement 131J May 15-July 5th

Reserve Grand Champion 4-H Interclub
Half Sister to Amberley 10K

McManus Simmentals

Welcome to the 2023 edition of Transcon Season Wrap Up Sale!

We got through another dry year with the cows/calves coming home looking the part! It just shows you how important good genetics are taking little grass and turning it into beef! After taking a year off from the sales I gave Darren his pick of 2 open heifer calves, so these 2 young ladies are right off the top of the keeper pen!

I look forward to seeing everyone this year! Any questions don't hesitate to call or stop by the farm!

This young lady is sired by JNR Shade who I have only sold 2 of his females in the past. 9L is polled, dark red, good set of feet and legs and big barreled! She is out of a very special cow family, the Double Bar D Flashy cow family! I have not marketed any of the "Flashy" offspring in the past since I acquired her grandam Flashy 294U from the Bar5 dispersal years ago! 9L is out of one of the best HighNoon cows on the farm and I do believe she will be just as good or if not better than her dam! Bid with confidence cause this combo doesn't come up for sale often or ever again! Sells open

23L is a very special female that shouldn't be leaving the farm but I gave Darren the pick of any 2 females he wished! 23L is sired by no other than HighNoon who needs no introduction in the Simmental world! Her dam Auddy 28A is a picture perfect cow that keeps giving me bulls except for one full sibling to 23L who is walking the pasture back home(her full sib weaned off a set of twins weighing 728lbs & 712lbs this year) I know what this combo can do and it's very impressive! The depth of this calf is amazing at such a young age, she is just a "meat wagon" standing on a good set of feet and legs. My only wish was that she was a full fleck! I have sired verified her already, which I never do till the 1st calf! She very well could be one of the top Fullblood calves to sell this fall!! Her picture isn't great so don't hesitate to call me or even better have one of the Transcon team members evaluate her for you! Sells open

* Denotes Multiple Lots Purchased

TERMS AND CONDITIONS

TERMS - The terms of the sale are cash, cheque, e-transfer, or wire and are due at the time of sale, unless other arrangements have been made between buyer and seller prior to the sale. Transcon reserves the right to charge interest at a rate of 2% per month on overdue accounts. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for their purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. Transcon Livestock Corp and/or the

Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.

BID - No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted.

SALES TAXES – Applicable sales taxes will be charged on semen, embryos, and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INSURANCE – Each animal becomes the risk of the purchaser at the time of sale and should be insured. Animals returning to the seller's farm must be insured.

US BUYERS – There is an additional charge (approximately \$300.00 US dollars) that will be applied to each animal purchased. This covers documentation, vet inspections/testing required to export. This cost does not include transportation or brokerage which is the responsibility of the buyer.

CATTLE PICTURES AND INFORMATION PROVIDED - The images in this catalogue are believed to be accurate representations of the individual animals and the information contained in this catalogue is provided by the seller and believed to be true and accurate. Transcon Livestock Corp. and catalogue designers/producers assume no responsibility if the images and/or information as received have been altered or is inaccurate.

ANNOUNCEMENTS – All announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recordation certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

EMBRYO & SEMEN – Full settlement must be made before release is done and shipping arrangements should be done within 30 days of the sale unless arrangements made between buyer and seller prior to the sale. Shipping arrangements and costs are the expense of the purchaser once release has been given.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations. Neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties. Any legal action that may be taken, in exceptional cases, must be between buyer and seller.
