## Welcome from Leewood Ranch

Shannon and I would like to welcome everyone to the 10th Leewood Ranch bull and female sale. A big Thank you to all our customers over this past year and to all our past customers over the last decade. It's crazy to think 15 years ago we would sell one or two bulls off the farm and raise a few for ourselves. Since our first online sale, we've sold 330 bulls and just over 1000 heifers. With most going to repeat buyers.

In 2025 the ranch made a big change with the sale of 200 pairs last May, and Shannon and buying out the ranch from my parent. We will slowly be rebuilding the herd back to around 400-450 cows. For the 2026 sale our bull numbers will be similar to previous years, but we will have a smaller group of heifers to sell.

We will again be selling a group of purebred heifers and a few commercial pens of 3 or 5 head. The bull pen this year is by far the most consistent we've ever had. A very good selection of bulls in every pen. The black bulls are sired by several of our walking sires such as Sun Star Knockout 48K, Mavv Hollar Back, BLI Ludacris, and DMJ Hannibal Lector. All powerful black blaze face sires backed by some top donor/show dams. For the red pen we will have a few more Leewood RS Loverboy 38K sons that were a hit last year. The first big calf crop off KHG Thick Rick will also be featured. Our high seller from 2024 Leewood RS Redman has a few sons in the sale. Our first bulls from IPU Tenneses Whiskey have done very well with low birth weights and big weaning weights. These sons should work very well in the heifer pen. We will only have 2 fullblood bulls this year but the quality very high.

We hope to see you MARCH 17 at the ranch!

Colt, Shannon, Cole, Laramie-Lynn and Coy Arnold

# Welcome!

Welcome to the 10th Annual Leewood Ranch Bull & Female Sale. Please join us for a presale lunch at the Ranch south of Mannville.

With a multi generational cattle operation like Leewood with many years of commercial cattle production you can count on the understanding that bulls must be raised in an environment that promotes longevity. This is a very honest set of Ranch raised bulls that are bred and fed for Ranch conditions.

My January travels revealed a pretty exciting set of bulls that Colt and Shannon are very proud to offer in the 2026 bull sale. The herdbulls have been on a roll here with many outstanding sons from Knock Out, Hollar Back and Thick Rick. The black blaze face bulls are very strong with some extra punch, bulls that will produce calves that push the scale down. It seemed like every time I asked Colt about a red bull that caught my eye he said "another Slick Rick" it's a very strong set of Slick Rick sons. This set of bulls are hairy and stout and I believe you will find many herdbull options in the pen.

There is a solid group of replacement heifers on offer this year, registered and commercial. They were highly sought after in 2025 and I would expect these females to garner some serious attention.

If you are unable to attend please reach out to any of the Transcon team for assistance, we are happy to assist you.

Hope to see you sale day!

## SALE STAFF

Auctioneer .....Ward Cutler  
Ringmen.....Darren Paget • Robert Lind • Jim Pulyk

## ONLINE BIDDING AVAILABLE

DLMS Mark Shologan.....780-699-5082  
Dacie Przekop .....780-656-5513

## PAYMENT TERMS AND INVOICING

Accepted methods for payment are cash, cheque, e-transfer or wire. Invoices will be emailed and a copy mailed. Please advise if not received within 3 days of the sale.

## U.S. EXCHANGE

The U.S. exchange rate will be announced at the sale.

## TRANSCON'S ABSENTEE BUYER REPRESENTATION

The Transcon team is available to anyone that cannot personally attend to confidentially appraise, bid and buy on your behalf. This service is conflict-free as we are not paid any buying incentive fees by the sellers and we are not active Simmental breeders. This service is also provided free of charge to all prospective buyers. Please call our cell phones for any assistance you may require.

## DIRECTIONS TO LEEWOOD RANCH

From Mannville South on HWY 881 to TWP 490. West on TWP 490 to RR94. Take North fork into Yard.

**This Sale will be a  
100% Video Sale!**

### *Why Video?*

- less stress on the bulls & heifers
- less chance of injury
- less help needed to set up sale
  - quicker sale
  - warmer in the barn

## LEEWOOD RANCH BULL PROTECTION

We are offering a 4% Bull Protection Program. This covers your bull(s) from Death or injury while at Leewood Ranch from time of the sale until delivery. Leewood Ranch will refund the purchase price, less salvage.

## INSURANCE

Available Sale Day - Canadian Farm Insurance Crop

Heather Barr - 1-780-853-7067

Lisa Anderson - 1-780-632-5526

Buyers not taking insurance we recommend our Leewood Ranch Bull Protection

## DELIVERY

- For bulls returning to the Ranch we suggest that the bulls be insured. Each animal becomes the responsibility of the buyer as soon as sold.
- Heifers are to be picked up ASAP. We've had heifers go to customers in BC to Manitoba, so if buyers need a little time to set up trucking we understand.
- Deliveries will start around April 1, at our convenience.
- Bulls will be delivered free of charge to central points across the western provinces. We do our best to deliver your bull to your yard.
- Bulls traveling to the eastern provinces and for export will have trucking arranged at cost; unless other arrangements are made.

## USA & MEXICO EXPORT

- We can meet the new owners at ports of entry along the Alberta or Saskatchewan borders.
- If the new owner would like the bull delivered closer, the transportation will also be arranged at cost.

We at Leewood Ranch will arrange for all tests and paperwork required to export these bulls at cost to their new owners. It usually takes several weeks to get these tests completed and results back.

## SIGHT UNSEEN PURCHASES

Please contact us with any question on the cattle. We have had bulls and heifers sell all over Canada and some into the US "Sight Unseen" with no problems. We plan on selling cattle for years to come, so we will make sure the cattle meet your approval.

## LEEWOOD RANCH GUARANTEE

All bulls are guaranteed to be satisfactory breeders in accordance with the Simmental association guidelines. We stand behind our product. Should a problem occur please contact us and we will make it right. A replacement bull (of equal quality), a credit or reimbursement will be given. We will make sure you have a bull to breed your cows. Any physical injury or mismanagement of the bull(s), will void any reimbursement.

## BULL-BREEDING SOUNDNESS

All bulls will be semen tested before the sale. Bulls are tested for sperm motility, morphology and are also subjected to a physical exam. They are checked for any scrotal, penis and other physical problems that would affect their ability to breed. Any bulls failing these tests will not be at the sale. Any semen deferred bulls have been tested and have been deemed by the vet to mostly likely pass a semen test at a later date. These bulls usually fail, due to age or weather problems.

*Join Us for a Homemade Lunch Beginning at Noon!*

### POLLED TESTING

A select number of bulls will be Homo Polled tested.  
 Homo polled = no horns on any Calves  
 Hetero polled = 50% polled calves on horned cows

### COLOUR TESTING

Some black bulls will be tested for colour expression. Homo black bulls will not sire any red calves. The fullbloods and a select few red bulls will be diluter tested. Bulls testing diluter free can be crossed with black cows and will not give you any grey calves.

### SEMEN RESERVE

We reserve the right to draw semen for in herd use on any bull in the sale offering. Semen will be at our expense and buyer's convenience.

### EPD's

Epd's are basically a Mathematical estimation of a animals genetic value. They are not always right but they can help in choosing your breeding stock. Below is a list of the epd's and what they stand for.

Abbrev. Description Units

CE -Calving Ease %

WW- Weaning Weight

YW- Yearling Weight (WW + PWG)

BWM- Birth Weight Maternal

MWW- Maternal Weaning Weight

CWT- Carcass Weight

Fat- Carcass Fat Thickness

API- All Purpose Index

BW- Birth Weight

PWG- Post Weaning Gain

MCE- Total Maternal Calving Ease

Milk -Milk

Stay- Stayability

REA- Carcass Rib Eye Area Square

Marb- Carcass Marbling Marbling Score

TI- Terminal Index

### FEED & DEVELOPMENT

The Bulls were weaned mid September and started on hay. In October they were switched to a TMR ration consisting of barley silage, grass hay, rolled oats and mineral/protein supplement from Bullseye Feeds. The purebred and commercial heifers were weaned in early November and put on fall grazing until Dec 1st. They then started on a TMR ration.

### HEALTH

All bulls will be vet checked, scrotal measured, weighed and semen tested. All sale cattle are on a full health program. Our calves receive vitamin AD&E and Selenium at birth. Around one week of age calves receive the vaccine Bovilis Nasalgen. Before being turned out on grass calves are given Vira Shield 6 + Somnus and Covexin Plus. At weaning bulls are given Vista Once SQ, Vision 8 Somnus. Any questions on health protocols please contact Leewood Ranch.

- Extra age bull out of donor cow Skors Red Renoun 125A
- Dark red with good hair and some good performance
- Weaned off at 1037lbs on July 25th. Ran with the herd bulls until we weaned the rest of the bulls in September
- His sire MRL Kodiak as worked great on first and second calvers. Brings great calving ease, and his calves seem to just grow. We have several daughters calving in 2026.
- Recommend for 2nd calvers or cows
- We will be keeping in herd semen on this bull (he'll be drawn before the sale)

**POLLED RED PUREBRED**

- 2nd Thick Rick daughter and similar to the 524N heifer
- Long bodied and moderate framed backed by a productive Dam
- Dam has a great udder and feet. She has been a trouble free cow and has a Thick Rick calf at side
- Different pedigree for us with the R Plus Glock and Skors Casino bulls on the bottom side
- Maternal brother out of Leewood RS Fastmoney sold in last years sale

## COMMERCIAL HEIFERS

We will be selling around 16 head of commercial heifers in smaller packages this year. Closer to the sale date we will have videos up on CattleVids.com along with the bull videos. Just like in previous years all heifers will be palpated for breeding soundness. Any heifers that have a small or ridged pelvis will be culled. If there are any questions call Colt at 780-581-8328 or 780-763-0084

5 X \$6,600.00 = \$33,000.00

**57 5 BLACK BLAZE HEIFERS**

3 X \$6,500.00 = \$19,500.00

**58 3 RED BLAZE HEIFERS**

5 X \$6,500.00 = \$32,500.00

**59 5 BLACK HEIFERS**

3 X \$6,800.00 = \$20,400.00

**60 3 RED BLAZE HEIFERS**

## TERMS AND CONDITIONS

**TERMS** - The terms of the sale are cash, cheque, e-transfer, or wire and are due at the time of sale, unless other arrangements have been made between buyer and seller prior to the sale. Transcon reserves the right to charge interest at a rate of 2% per month on overdue accounts. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for their purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. Transcon Livestock Corp and/or the Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.

**BID** - No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted.

**SALES TAXES** - Applicable sales taxes will be charged on semen, embryos, and trucking fees (if listed), respective to the home province of the buyer, not the seller.

**DISPUTES** - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

**PURCHASER'S RISK** - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

**INSURANCE** - Each animal becomes the risk of the purchaser at the time of sale and should be insured. Animals returning to the seller's farm must be insured.

**US BUYERS** - There is an additional charge (approximately \$300.00 US dollars) that will be applied to each animal purchased. This covers documentation, vet inspections/testing required to export. This cost does not include transportation or brokerage which is the responsibility of the buyer.

**CATTLE PICTURES AND INFORMATION PROVIDED** - The images in this catalogue are believed to be accurate representations of the individual animals and the information contained in this catalogue is provided by the seller and believed to be true and accurate. Transcon Livestock Corp. and catalogue designers/producers assume no responsibility if the images and/or information as received have been altered or is inaccurate.

**ANNOUNCEMENTS** - All announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

**CERTIFICATE OF REGISTRY** - A registration/recordation certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

**SHIPPING** - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

**BREEDERS GUARANTEE** - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price. **EXCEPTION TO GUARANTEE** - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

**HEALTH** - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

**EMBRYO & SEMEN** - Full settlement must be made before release is done and shipping arrangements should be done within 30 days of the sale unless arrangements made between buyer and seller prior to the sale. Shipping arrangements and costs are the expense of the purchaser once release has been given.

**ACCIDENTS** - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

**RIGHTS AND OBLIGATIONS** - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

**TRANSCON LIVESTOCK CORP. IS AGENT ONLY** - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations. Neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties. Any legal action that may be taken, in exceptional cases, must be between buyer and seller.
