Welcome from Transcon

On behalf of the consignors and Transcon Livestock Corp we welcome you to this new and exciting sale
TRANSCON'S VIRDEN BULL SALE April 4th @Heartland Auctions Virden MB

These are exciting times to be in the cattle industry and 2026 looks to be a year with outstanding optimism in the cow/calf marketplace. It's so great to see the enthusiasm and renewed life in the cattle industry.

The two breeds represented in the sale have both seen a significant surge as being known as the heavyweights when it comes to pounds =profit and both continue to prove their value and consistency of topping the markets.

I will say it again... The best stock to have into today's crazy marketplace is **LIVESTOCK**

One thing that consigners have in common on the lineup of bulls, being offered in this multi breed consignment sale is to produce a product. It can be proud of. High quality bulls that will strengthen your bottom line and maximize your returns. \$\$

A great representation of Simmentals, Charolais and Simm/Angus bulls will be on offer. These bulls exemplify some of the best characteristics, each breed boast. From sound made power bulls to more calving ease type bulls will all be available here at the first annual Transcon's Virden Bull Sale.

The later date of April 4, gives these bulls the time to be growing out and developed properly. Bulls that aren't force-fed to have the big weights in February and early March. Longevity and customer satisfaction are first and foremost, and these breeders will stand behind the product they have produced.

Be sure to join us on April 4 and bid on and purchase a set of beef bulls that are the right type and right for the beef industry.

There will be a bull available for everyone's budget

The bulls will be available for viewing the day prior to the sale. Come join us for lunch prior to the sale on April 4th. In the event, you are unable to attend, but would like to purchase, feel free to give one of us a call here at Transcon and we will help you with your bull buying needs.

See Ya all sale day,
Darren Paget

Big Hills Simmentals

Welcome to the sale and thank you for joining us in Virden. We are proud to offer our top bulls from both spring and fall calving programs. These bulls represent proven and respected bloodlines from across the industry. Updated genetic testing and videos will be available prior to the sale through the Transcon website.

Marcischuk Farms was founded in 1964 when my parents purchased their first quarter of land northwest of Rackham. Through years of hard work and dedication, the farm grew to include a variety of livestock and cropping enterprises, shaped by the strong work ethic that continues to guide us today.

Our passion for Simmental cattle began with the purchase of our first Simmental bull in 1974. That decision led to decades of involvement with the breed and, in 2002, the opportunity to establish a registered Simmental herd. Since then, we have focused on producing cattle with strong genetics through both natural breeding and artificial insemination, with particular interest in polled Full Blood, Purebred, and Black Simmental cattle.

Thank you for your continued support and interest in our program.

Longview Cattle Co.

We're proud to be part of the First Transcon Virden Bull Sale and appreciate the opportunity to bring a strong set of bulls to town.

Our offering includes calving ease and performance-driven cow bulls in the Charolais, Simmental, and Simm-Angus groups. The calving ease bulls are built for confidence on heifers without giving up growth, while cow bulls are designed to add pounds, muscle, and pay weight to your calf crop.

We look forward to visiting with you on sale day and appreciate your interest in our program.

26N is a standout feature Simmental Bull that blends true calving ease with eye appeal, muscle, and growth. Sired by Revolution, a bull that has consistently impressed us with his calving ease, vigorous calves, and added look, muscle, and performance.

His dam 1035J, is a proven producer with elite consistency. A maternal brother was Reserve Champion Bull at Ag-Ex 2024, reserve Senior Simmental Bull at CWA 2024, and went on to sell for \$22,000. A maternal sister further proves the strength of this cow family, selling for \$43,500 this fall.

Built right from the ground up and backed by a powerful proven pedigree this bull is a calving ease herd sire prospect with the look and genetic backing to make an immediate impact.

45N is the youngest bull on offer, yet he already stands out as a true standout. Deep sided, stout, and powerful, he is built to add size, mass and performance to any program.

His pedigree is stacked for success. He is sired by a son of **RF Caliber**, a popular and proven bull known for passing on power and growth, and out of **MRL Miss 8465F**, a complete donor female with top-tier, productive progeny. On the maternal side, he traces back to the **Red Jewel** cow, whose offspring have excelled across the country, and the legendary **Captain Morgan**, a sire that needs no introduction.

45N combines phenotype, power and elite genetics, making him a herd sire prospect with the potential to shape a program for years to come.

Longview Hugo Boss 12N is an elite Charolais Feature Bull backed by exceptional performance and proven genetics. He weaned at just 7 months of age weighing 1,000 lbs., showcasing explosive growth and efficiency from day one.

His dam TR PZC Firefly, is a highly regarded donor female and former Grand Champion Female at the 2021 American Royal Junior Show, known for her power, structure, and maternal strength. She is also a full sibling to the popular bull Turton.

The sire, Milestone needs little introduction, commanding \$125,000 for half interest At the 2016 Wright Charolais Bull Sale, cementing his status as a breed changing bull.

This is a rare opportunity to acquire a Herd-Sire that blends elite performance, championship maternal genetics, and breed leading power.

Sunshine Oak Charolais

Thank you for being a part of Transcon Livestock's new sale in Virden and showing interest in our program!

Located near Holland, Manitoba, our family has been grain farming and raising both commercial and purebred Charolais cattle for over 30 years. As a proud multi-generation operation, we have worked together to continually develop and strengthen the genetics of our herd.

Up until now, we've sold our cattle by private treaty, this year we're excited and feel confident in taking part in our first bull sale—featuring 12 of our top yearlings. This offering represents the best of our breeding program, with offspring from four proven, exceptional, herd sires currently working for us.

Whether you're looking to add a splash of colour with a tan, find a dependable heifer bull, boost your herd's EPDs, or add some raw power, we're confident you'll find something that fits your program.

We welcome visitors to our farm and enjoy walking the pens with fellow cattle producers!

We bought this bull out of the pen at AgEx, Brandon in the fall of 2024 for our heifers and it was a great decision! Kaycee is an attractive animal, built with structural correctness including strong, sound feet that will stand the test of time. This is Kaycee's second calving season breeding most of our heifers again this year. His calves come out strong, get up quickly and have excellent growth.

Tremor is a striking red herd bull that commands attention when he steps in the pen. His colour sets him apart and stamps his calves with added eye appeal and distinction. We love the structure and disposition of this bull. His mother Pleasant Dawn Maggie 64B is a Gold Star Dam and is still calving this year. Tremor sires large growthy calves that come with excellent vigor at birth.

Kindred Spirit Cattle

Kindred Spirit Cattle welcomes you to Transcon's Virden Bull Sale. We are happy to be a part of this new and exciting bull sale. We previously sold our bulls at Transcon's Advantage Bull Sale, which ended its 30 year tenure last spring.

With cattle prices as high as they've been this last while, and the top dollar that steers have been getting, we focused on quality and culled hard to produce this group of powerful, polled herdsire candidates. We breed 100% Fleckvieh and Fullblood Simmental with an emphasis on performance driven, polled cattle. We are offering 8 polled bulls with 5 being homozygous polled. They come from a number of sires with diverse pedigrees. There should be a good variety within this group with many favourable birthweights and lots of performance throughout the pen. We look forward to chatting more on sale day.

Don't hesitate to reach out to us prior to sale day to chat or set up a viewing of the bulls. We welcome you to come by the ranch anytime to view the bulls. We are located 1 mile North of the junction between Highway 11 and 54, just Northwest of Lumsden, SK.

HOMOZYGOUS POLLED

This is a fantastic age advantaged bull with big wrap-around goggles on a homo polled head. He has excellent colour, big muscling, a wide mid-section with depth of body and lots of performance. Another Anchor D Fabulous 245H son that will put a stamp on his calves. His dam is an outstanding producer with fantastic maternal traits. With the extra age, he'll have the size advantage and maturity to go out and breed right away.

HOMOZYGOUS POLLED

Newly is our first calf out of the NGDB Nitro 16H semen package we bought from KSL and we are certainly impressed. He has a really desirable birthweight and loads of performance. His dam is a very powerful cow with great maternal traits and has done a fantastic job here. He's put together really well with a solid mid section, lots of hip on correct feet. His colour pattern is excellent. All in a homozygous polled package.

**SCURRED/POLLED
 DILUTION FREE**

Nick is a really well put together yearling out of a moderate framed cow. He's dark cherry red, dilution free and painted up right. He has a very attractive head with a smooth front end. He's a great example of these Nitro calves that we have been so happy with. Another desirable birthweight that gives flexibility with many programs. He has solid performance and a nice balanced frame.

**HOMOZYGOUS POLLED
DILUTION FREE**

Another excellent, cherry red calf out of NGDB Nitro 16H with a fantastic colour pattern. He has big wrap-around goggles on both sides to make for a smooth blazed face. There should be some excellent performance here. He has a full midsection and good muscling. We really love his dam who was the top of the replacement pen her year and is raising another excellent bull calf this year.

This is a fantastic bull calf out of a great cow we purchased from Bonchuk Farms a few years ago. Another nice birthweight here with solid gains. He has great pigmentation coming in a cherry red coat with a solid colour pattern and loads of hair. His dam is a really dark cow with an excellent udder, who's raised a great bull calf here. He's moderate framed with lots of muscling and a solid mid-section. We think very highly of his sire who we sold to Shortgrass Simmentals a few years ago. This should be an excellent purchase for his new owners.

Nox is the only bull out of Double G Lottery 61L as he threw a whack of heifers, but we sure have been impressed with how Nox developed. A favourable birthweight with solid gains. He's smooth polled and out of our calving ease homo polled heifer bull so he should be a good candidate for many breeding programs. His dam is a Jahari daughter who has raised some excellent calves. She is always an impressive cow coming out of the pasture and has a fabulous udder.

HOMOZYGOUS POLLED DILUTION FREE

Here's a dark red, dilution free bull with a fantastic colour pattern. He's a great example of how Anchor D Fabulous 245H puts his stamp on his sons. There's lots of performance in this bull, especially given that he's the youngest in the pen. He has exceptional length and frame size. His dam has raised some great bull calves and has another one at side this year. Nacho should sire some great performance driven calves and will put the polled gene on every one of them.

 Navigator is a bull that came out of a bred heifer we bought from Anchor D Simmentals in 2024. An Anchor D Imax son with Calving ease. Go back on the Dam side to Virginia Precision and the sire side Radioactive, you won't want to miss this bull.

Rockin' G Ranch

Welcome to the Transcon's Virden Bull Sale.

Our family is very excited and grateful to have been invited into this year's sale. This offering reflects our commitment to producing sound, functional bulls with the performance, disposition, and durability needed in today's cattle industry. We're confident these bulls will add value to your program, and we appreciate your participation on sale day. Cattle are our passion and we are thrilled to showcase that with these bulls on offer.

We would like to thank all those who have helped us prepare for this sale, as well as mentored us in this breed over the years. Feel free to contact us with any questions before and on sale day. We look forward to seeing you, thank you for your interest.

Thick, long, and heavy haired. This bull may be the youngest we have on offer but you would never guess it. He's made miles and has had explosive growth all through the season. His grand sire on the dams side was long as a train and always produced excellent replacement females. If you're looking to add length, pounds and a hair coat to keep your calves warm in these cold northern winters, look no further.

Stout, powerful, and rugged, this bull is wide based, deep bodied, full of muscle. He offers strong bone structure, thickness, and sound feet. Built for durability and performance, he's an excellent option for adding pounds and consistency to your next calf crop. His dam has a nice sound udder and his sire is the same as our other black baldie on offer. These blaze sons will add that chrome and keep power in your calves.

Firdale Simmentals

Welcome to the Virden Bull Sale.

We are very excited to show case some of our finest bulls this year. We are a family run purebred and commercial Simmental operation striving to make the best animals we can, by using select AI sires and proven herd bulls. We focus on temperament, udder quality and overall soundness. We are currently running 150 cows 75% of our calves come from home raised bulls so we can confidently back our own program.

We would like to thank past, present and future buyers who continue to believe in our program. Without the support doing what we love wouldn't be possible.

This guy caught our eye right from the start. He's a thick deep bodied docile bull sired by the famous Betts bull and out of one of our top producing cows. We are really proud of what this bull has turned into, If you're looking to make some baldie calves he's your guy.

A nice moderate framed bull coming from a very maternal cow family, his mother is a female maker and he's the first bull she's given us. Crossed with our new herd bull a Hannibal son who has more than impressed us with his first set of calves. His father is Homo Polled and Homo Black and 5N has been tested and results are pending.

Terms and Conditions

TERMS - The terms of the sale are cash, cheque, e-transfer, or wire and are due at the time of sale, unless other arrangements have been made between buyer and seller prior to the sale. Transcon reserves the right to charge interest at a rate of 2% per month on overdue accounts. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for their purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. Transcon Livestock Corp and/or the Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.

BID - No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted.

SALES TAXES – Applicable sales taxes will be charged on semen, embryos, and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INSURANCE – Each animal becomes the risk of the purchaser at the time of sale and should be insured. Animals returning to the seller's farm must be insured.

US BUYERS – There is an additional charge (approximately \$300.00 US dollars) that will be applied to each animal purchased. This covers documentation, vet inspections/testing required to export. This cost does not include transportation or brokerage which is the responsibility of the buyer.

CATTLE PICTURES AND INFORMATION PROVIDED - The images in this catalogue are believed to be accurate representations of the individual animals and the information contained in this catalogue is provided by the seller and believed to be true and accurate. Transcon Livestock Corp. and catalogue designers/producers assume no responsibility if the images and/or information as received have been altered or is inaccurate.

ANNOUNCEMENTS – All announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recordation certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

EMBRYO & SEMEN – Full settlement must be made before release is done and shipping arrangements should be done within 30 days of the sale unless arrangements made between buyer and seller prior to the sale. Shipping arrangements and costs are the expense of the purchaser once release has been given.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations. Neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties. Any legal action that may be taken, in exceptional cases, must be between buyer and seller.
