Welcome to Shady Nook Simmentals 2nd Annual Bull Sale!

Last year was an exciting time for us and we were thrilled by the support given to us from fellow cattle producers making our first annual bull sale a success. We sincerely appreciate all our customers and look forward to your continued support.

With the cattle industry continuing to offer strong opportunities and with solid demand across the sector, we're pleased to share this years bulls with you. I have put together a great set of quality bulls that will not only add extra pounds and put more money in your pocket this fall, but will also add maternal value into your herd. We've focused on building a set of bulls with depth, thickness and functional conformation as well as dis-position being a top priority. Whether you're looking for a new herd bull or a sleep easy calving bull, we've got you covered. I truly feel there's something that will work for anyone's cattle operation in this sale.

Our pens are always open for viewing and we welcome visitors to stop by for a tour. The bulls will be available to view in Lacombe on sale day and the day prior. If you have any questions about any of the bulls please feel free to contact me.

We would like to take a moment to thank our son, Corey, that we are fortunate enough to have work on the farm with us, we couldn't do this without you. Our night watchman, Wyatt Polson for making our evening calving so much easier. Garrett Sehn for his hard work all summer long. Garth and Joe from Circle G Simmentals helping out at busy times. Cletus Sehn and his daughter, Kaitlyn, for taking pictures of the cows out on pasture and helping out when needed. Dylan Fuller, our bulls barber. To our film and video crew getting our videos and pictures together. Bridget Andrews for working so hard behind the scenes to get this catalogue put together for us. And Transcon for helping us out along the way.

We appreciate everyone that takes the time to open this catalogue and check out our bulls. We look forward to seeing you at the sale!!

Glenn Norton.....780-542-0634  
Darren Paget.....403-323-3985  
Cody Coupland.....403-877-0799  
Stacey Bell.....403-304-7485

## OBI LIVESTOCK LTD.

Mark Holowaychuck.....403-896-4990

## INSURANCE

Insurance will be available sale day.

## PAYMENT TERMS AND INVOICING

Accepted methods for payment are cash, cheque, e-transfer or wire. Invoices will be emailed OR a copy mailed. Please advise if not received within 3 days of the sale.  
US Exchange Rate will be announced sale day.

## VIDEO SALE

This will be a video sale with no animals entering the ring. We encourage you to come and view the cattle before the sale at the Lacombe facility. We will have them there the day before as well as sale day (April 15th & 16th). If this doesn't work, come on out to the farm and we can take a walk through the pens.

## DELIVERY

The seller will deliver bulls free of charge within a 200 km. radius. Delivery beyond will be at cost. All bulls will be delivered within 30 days after the sale date.

## RESERVE THE RIGHT

Shady Nook Simmentals reserves the right to collect semen on any bull sold for in-herd use. This semen will be collected at the buyer's convenience and the seller's expense.

## TRANSCON'S ABSENTEE BUYER REPRESENTATION

The Transcon Team is available to anyone that cannot personally attend to confidentially appraise, bid and buy on your behalf. This service is conflict-free as we are not paid any buying incentive fees by the sellers and we are not active Simmental breeders. This service is also provided free of charge to all prospective buyers. Please call our cell phones for any assistance you may require.

# Transcon Welcomes You!

Welcome to the 2026 Shady Nook Bull Sale. While this marks only the second annual bull sale, Stacey and Susan have been raising and marketing quality bulls for many years. They are hardworking, honest cattle producers who take great pride in building a program founded on integrity, consistency, and cattle that truly work. Their focus has always been on producing functional, sound, and long-lasting cattle with strong maternal foundations—females that excel in fertility, longevity, and productivity generation after generation.

The Shady Nook herd now numbers well over 300 registered Simmental cattle, providing a deep and proven genetic base. From this cow herd, only the top bulls are selected for sale. This year's offering represents the final 59 head to make it through a diligent and disciplined screening process, ensuring every bull meets strict standards for structure, performance, disposition, and maternal strength. The result is the best set of bulls Stacey and Susan have ever raised—uniform in quality and the quietest bull pen to date.

This offering includes bulls to fit a wide range of breeding goals, whether customers are seeking added power, proven calving ease, true heifer bulls, or enhanced maternal strength. By investing in quality herd bulls from Shady Nook, buyers can move forward with confidence, knowing the guesswork has been removed. Backed by proven cow families and a program that proudly stands behind every animal offered, these bulls are designed to advance your program—whether that means adding pounds to steer calves or putting the right kind of heifers in the replacement pen. They add profit to the herd in a practical, sustainable way.

Please join us Thursday, April 16th at the Lacombe Ag Grounds. Bulls will be penned and available for viewing Wednesday afternoon. If you are unable to attend in person, please don't hesitate to contact any member of the Transcon team for a conflict-free appraisal.

Genetics that work as hard as you do—day in and day out.

This bull was an impressive calf right from the start and always got noticed in the pasture. At weaning time, he was our heaviest calf weighing in at 1,010 pounds with no creep!! He has that herd bull look that moves free and easy. Raised by a very productive 10 year old cow who gave us a set of twin heifers this year. This guy will put pounds on your calves and cash in your pocket. Homo Polled Test Pending.

He's such an impressive bull that can cover a lot of ground. We have retained his heifers in our cow herd, and they have amazing udders with lots of milk. This bull will add pounds to your calves and leave you with a set of heifers that you will want to retain in your herd. Homozygous Polled Sire of Lots 1 - 10

Here's an excellent dark red moderate framed bull that gets a lot of attention in the bull pen. He's soggy, loose made that's easy moving and solid from the ground up. This guy is thick any way you look at him. Homo Polled Test Pending.

This feature bull from WFL 23H has a nice head and neck extension that goes back to a smooth shoulder and long back. He moves around the pen like a cat and will travel well. There's so many great traits about this guy I can't say enough about him. Dam is a square uddered mid sized frame cow with a little full blood in her pedigree. This guy will sire some nice calves! Homo Polled Test Pending.

A feature red bull from WFL 23H. He has a lot of eye appeal from a nice head, ton of rib shape going all the way back to a thick butt. One of the calmest bulls in the pen. His mother was one of my picks from the R+ dispersal and she sure did a good job on this calf. Homo Polled Test Pending.

This bull comes with a lot of positive traits built into an attractive herd sire prospect. He stems back to one of the Red Honey bred heifers I bought from Westway Farms when I first got into the purebred business. His dam looks to be starting out as being a great cow also...square udder, big middle and hard working.  
 Homo Polled Test Pending.

This is the first calf crop from the impressive McRuer bull Mr. Lancaster 2J 82L and we couldn't be happier. He stands on good feet and tracks really well with fluid movement and just gets better as your eyes move up. Well haired, dark red, thick butted and calm demeanor. He's got a great EPD profile and should have no problem covering a lot of cows. Comes from a hard working 2nd calver from a good cow family. Homo Polled Test Pending.

80	924	10.6	2.7	92.3	141.4	30.7	10.2	76.9

A thick, deep bodied bull that can cover A LOT of ground. He's an excellent breeder with a phenomenal set of EPD's. He is consistent with passing along so many good traits to his calves. We calved out his heifer calves this year and we couldn't be happier...beautiful udders that milked well.

Homozygous Polled  
 Sire of Lots 30 - 39

This guy was a standout on pasture all summer long. I think this bull has a lot to offer any cow herd. Not only was he the heaviest black bull weaned off of grass, but he has a good set of EPD's to go with it! He travels well on great feet and comes from a nice uddered 2nd calver. Full brother sold in last year's sale to Will Bosomworth. Homo Polled & Color Test Pending.

SNS 113N pulls so many valuable traits and puts them together to produce a good bull!! **The Key sire group are an impressive bunch of bulls consistent in shape with great EPD's.** Look at this guy with 12 of the 13 EPD traits in the green. Comes from a hard working 7 year old dam. Homo Polled & Color Test Pending.

An eye catching Key son with a fantastic set of EPD's that's sure to command attention on sale day. Stands on a wide base and just gets better as you go up. Thick butt, smooth shoulders and a nice head. His dam is an 8 year old nice uddered productive cow. Maternal half brother to last years high seller black bull that sold to Daryl Hill.  
Homo Polled & Color Test Pending.

Legacy has power, performance and a unique pedigree...he excels on so many levels and has been appreciated by purebred and commercial producers alike. His performance stats and EPD's are first rate. He excels in the important carcass merit traits as he ranks in the top 1% of the breed for REA and top 3% for CW. His dam and sisters have excellent udder structure which should be passed along to his daughters. HOMO BLACK  
 Sire of Lots 40 - 49

Another outstanding Legacy bull prospect that won't go unnoticed on sale day. Loose made, big middled and moves free & easy. He's got a near perfect EPD profile and a nice blaze face to boot...this guy really is a complete package. Comes from another really solid Bandit daughter.  
Homo Polled & Color Test Pending.

A late March born calf from Legacy that fits in with the rest of the pen. Has an adj weaning weight of 800 pounds and will only get larger in frame size as he ages as his dam is one of the bigger cows in the herd.

**50**

Wow!! An impressive WFL 45L son with a nice EPD profile. They weigh a little bit more at birth but that comes from the length of the calf. They are all born easily and grow from there. This guy weaned off at 904 pounds from a heifer! He has a great presence in the pen and always gets noticed. His dam is a nice uddered cow that has a good future ahead of her in our program. Homo Polled & Color Test Pending.

Here is an impressive WFL 45L bull calf. He weaned off at 896 pounds from an awesome War Zone 1st calver. His birthweight was a little bigger but was born unassisted and just grew from there. He has a great EPD profile and should calve easily on bigger framed heifers because of his smooth build. Homo Polled & Color Test Pending.

# Terms and Conditions

**TERMS** - The terms of the sale are cash, cheque, e-transfer, or wire and are due at the time of sale, unless other arrangements have been made between buyer and seller prior to the sale. Transcon reserves the right to charge interest at a rate of 2% per month on overdue accounts. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for their purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. Transcon Livestock Corp and/or the Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.

**BID** - No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted.

**SALES TAXES** – Applicable sales taxes will be charged on semen, embryos, and trucking fees (if listed), respective to the home province of the buyer, not the seller.

**DISPUTES** - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

**PURCHASER'S RISK** - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

**INSURANCE** – Each animal becomes the risk of the purchaser at the time of sale and should be insured. Animals returning to the seller's farm must be insured.

**US BUYERS** – There is an additional charge (approximately \$300.00 US dollars) that will be applied to each animal purchased. This covers documentation, vet inspections/testing required to export. This cost does not include transportation or brokerage which is the responsibility of the buyer.

**CATTLE PICTURES AND INFORMATION PROVIDED** - The images in this catalogue are believed to be accurate representations of the individual animals and the information contained in this catalogue is provided by the seller and believed to be true and accurate. Transcon Livestock Corp. and catalogue designers/producers assume no responsibility if the images and/or information as received have been altered or is inaccurate.

**ANNOUNCEMENTS** – All announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

**CERTIFICATE OF REGISTRY** - A registration/recordation certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

**SHIPPING** - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

**BREEDERS GUARANTEE** - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

**EXCEPTION TO GUARANTEE** - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

**HEALTH** - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

**EMBRYO & SEMEN** – Full settlement must be made before release is done and shipping arrangements should be done within 30 days of the sale unless arrangements made between buyer and seller prior to the sale. Shipping arrangements and costs are the expense of the purchaser once release has been given.

**ACCIDENTS** - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

**RIGHTS AND OBLIGATIONS** - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

**TRANSCON LIVESTOCK CORP. IS AGENT ONLY** - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations. Neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties. Any legal action that may be taken, in exceptional cases, must be between buyer and seller.
